7 FEB 2021 CMP Rimfire Sporter .22
 Indoor 50' match
 60 Shots for Record
 3 Position (Prone, Sitting/Kneeling/Standing)
 10 shot Slow Fire; 20 shots Rapid fire in each position

This is a great format to try your hand at a rifle competition. The intent and spirit of CMP Rimfire Sporter rules is to provide smallbore rifle target competitions where competitors use low-cost, readily available sporter/hunting type, .22 caliber rimfire rifles. Rifles are limited to 7.5 Lbs. Must have at least a 3.5 lb trigger. Examples of popular rifles used are Ruger 10/22, Marlin Lever Actions, .22 Bolt action rifles.

Rifles are classed by Telescope/Aperture, Open Sights, or Tactical Unlimited (AR type, Pistol grip Stocked).

Another nice thing about RFS is that you are shooting against a “standard” for a medal.

| Class | Gold | Silver | Bronze |
|---|------|---------|---------|
| Rimfire Sporter Rifle T-Class (scope) | 583+ | 573-582 | 559-572 |
| Rimfire Sporter Rifle O-Class (open sights) | 570+ | 558-569 | 544-557 |
| Rimfire Sporter Tactical Unlimited Class | 585+ | 572-584 | 559-571 |
